From: MIC Brian K. Dimatteo, Illustrious Grand Master, Grand Council of Cryptic Masons of Minnesota

My Companions, I bring you greetings!

As I think back on the past seven years, and even prior to that, I am able to smile. When I was appointed to this progressive line, I was honored, and I knew it was going to be an amazing ride, but I don't think I had any idea of the scope of that time. I knew that there was a lot to be done and I felt that I was up to that task, so when I said "yes" when I was asked, I was "ready". Little did I know what exactly would be required of me.

I have had the honor of serving not only our Grand Council but other bodies in our Fraternity over the years. I look at the times we have all endured over the past ten years, and I think that few Freemasons in the future will have to go through similar. It's not lost on me that others have probably had the same feelings. Our Brothers in the 1800s, the late 20s, the 40s, 70s all likely felt the same things. Those that come after us all will have similar thoughts as THEY remark on their time in the Craft.

I want to start off with a few thanks for those important people in my life and along this journey. To MIC Marvin Schendel – the work of this Council would be impossible without your countless hours and dedication. You have been a model for me, and for others, about what "Servant Leadership" should entail. To MIC W. David Emery – you preceded me in this journey, and you, likewise have served with honor and distinction, giving advice but more so, being the steady hand on the reins. To James McNeely, whom we affectionally call IV, you did me the honor of Installing me a year ago. You are a fountain of knowledge in Freemasonry, and I am Honored to call you friend, companion and Brother.

To the officers of the Grand Council – you have spent hours, days, miles in serving our Councils and this Grand Council. You have spent time away from your families and jobs, and the work that you have done is exemplary. Congratulations and thank you to all of you for what you have done and will continue to do. I would be remiss if I didn't call out my thanks to Roberto Sean Gardiner – someone who I worked with in the Grand Commandery line, who appointed me to the Grand Chapter line. I thank you for your friendship and Brotherhood. Finally, to Jim Luchsinger for everything and every recognition and piece of advice you have given to me. There are few men that I hold in as high regard as I do you. Thank you.

My Companions, I want to spend a few moments to talk about our Youth organizations. As many of you know, I am extremely active with our Job's Daughters, and am starting to finally get a chance to be involved with DeMolay. Our youth are at a critical impasse right now. How many of you know that we are to the point where, if things don't change, we will lose our Grand Bethel and autonomy to the Supreme Council of Job's Daughters? Similarly, we are to the point where in a year, we may install our LAST Grand Guardian (the female titular adult leader)? While DeMolay are growing, they have similar challenges at the local Chapters as well. We have issues and challenges not only in getting youth, but also getting adult volunteers. There are any number of explanations / excuses why someone cannot help the youth. My Companions, it doesn't have to be a huge amount of time spent working with them, although, none of us would turn you away, but it can be as simple as going to one meeting a term. Believe me when I say that they stand a bit straighter, speak a bit slower and move a bit more deliberately when they see their Uncles in the audience.

This year I have instituted a program for the Jobs Daughters to help them grow, and was able to use some of the Grand Master's stipend not just for my own travel, but in support of this beautiful Order. If you have a chance, please reach out to your local Bethel or Chapter, or if you have a mind to help found a new one at your Lodge, contact either me or Aaron Brendel for DeMolay. You won't be sorry for any moment you get to spend with these amazing young men and women.

Our Premier philanthropy, the Cryptic Masons Medical Research fund also needs your help. We, in Minnesota, have a strong history of supporting this great charity. As past Grand Masters have shared, as have our deputies, it is one of the only charities that focuses on Men at our age. They quite often, at Department conferences, start with everyone standing and then seat those who have PAD, Diabetes, etc. And by the time they get to the end of the diseases that we study and attempt to cure, there are very few people left standing. Please consider giving and giving generously to this great organization.

A year ago, there was a challenge to this Grand Council that happened, not in our Assemblies, but in our Commanderies. There was a resolution at the Grand Commandery to remove the Council as a requirement for entry. This was defeated, but it is a concern for your Grand Officers, and for your Councils. The inclusion of our beautiful Ritual as a precursor for Commandery Orders is not about forcing people into the Council as a stepping stone to Commandery. The inclusion of the Council as a requirement of Commandery is more, at least to me, about a completion of our York Rite Degrees and Orders. We would not take out Chapter or Blue Lodge as a requirement for membership, any more than you would exclude your brother Hank from Christmas Dinner with your family.

You may have noticed that above, I talked about service. I want to reiterate that it is not the title that drew me, or that should draw you to lead a Chapter, a Council or Commandery, whether local or at the state level. We serve our Companions and Sir Knights. We serve our communities our families, our Lodges. We serve something larger than ourselves when we take on these roles. I want to thank our Illustrious Masters for their service to our Councils and to our Craft in

general. You are the reasons why we are able to continue with our good works, and your service is critical.

I have often heard people complain that we “can’t expect every officer to be at all the meetings. After all, this is a voluntary organization”. My companions, this is true, but only to a point. It is truly a volunteer organization up to the point where you take the obligation at the altar in the installation ceremonies. It doesn’t matter if it is a local Council, or this Grand Council or the General Grand level. When you accept the officer’s position, you have gone from a voluntary participant to participating in the job, the business, of leading a Council. I urge you to remember this as you face the decision on whether to serve or not. The benefits gained are numerous, but the work can be difficult, long hours, many miles of travel or sleepless nights.

Finally, if you thought I would forget my family, you are mistaken. They have given up time with me, allowing me to go out and “Play” at Freemasonry. They have all supported me in my Masonic activities. I came to our Fraternity later in life, as a first generation Mason. They have learned along side of me what it means to be a Mason. To my daughters, Frani and Gabbi, you will never really know how proud of you I am. Your time in Jobies, your coming to my events and helping serve food, or clean Lodge, or any number of other things. Thank you to my little girls who have become outstanding young women. To my wife, Wendy. I could fill pages with the things that she has done for me over the years. She has stood by me, traveled with me, met and talked with my friends, Brothers, their ladies. She has endured being called “Lady” even though she would tell me often, she’s not a Lady, she’s a “Broad”. What ever title she bears, the one that I value most is my love. Thank you for everything you do not only for me, but for our Gentle Craft, for our Job’s Daughters, and everyone you touch.

Companions, the hours are short, but the days are long. These few words can never express the truth any better. As this year comes to a close, I look forward to continuing in my service to the Craft and our Council. I thank you for spending some time reading just these few words. I promise you I won’t read this word for word at our Assembly. I wish you all the best, and know that you have all touched me deeply and have a lasting part in my life.

I remain, most humbly and appreciatively

Most Illustrious Companion Brian K. Dimatteo

Report of the Deputy Grand Master

To: The Most Illustrious Grand Master, Grand Officers and Members of the Grand Council of Cryptic Masons of Minnesota.

From: RIC Sean Gardiner

RE: Deputy Grand Master's Report 2022-2023

Greetings to all the Companions of Minnesota where so ever dispersed. What an honor it has been to travel throughout Minnesota and our neighboring jurisdictions on behalf of our great Companions. Thank you for the honor of representing you and our Grand Council. During my travels I have been able to share the great work of our Companions; our Councils, our ritual work, our educational efforts to engage and retain our Companions.

Companions we held our first strategic planning session in a long time. We laid out several activities for the Grand Officers to work on this year. We hope these activities will improve the experiences of our Companions and Councils. Please look for updates in the coming months.

Upon the recommendation of our Grand Recorder, MIC Marvin W. Schendel, we would like to implement MMS as our statewide membership system. We are proposing a joint venture with the Grand Chapter. We anticipate this will improve the experience of our Council Recorders and tracking of membership across all our Councils. It would reduce the amount of reports the Records would need to provide to Grand Council and simplify the overall reporting.

I would like to personally thank Most Illustrious Companion Marvin W. Schendel for all the work he has done for our Grand Council and specifically for all the support and guidance he has given me over these several years. He has continuously dedicated himself to improving our Grand Council and the experiences of our Companions. I look forward to all the work he will continue to do for us all.

During this year I have had the privilege of serving on the Finance and York Rite Cooperation committees. You can see the activities of those Committees in their individual reports.

It was my pleasure serving the Companions of Minnesota this past year.

Right Illustrious Companion R. Sean Gardiner
Deputy Grand Master
Grand Council of Cryptic Masons of Minnesota

Report of the Grand Principal Conductor of the Work

To: The Most Illustrious Grand Master, Grand Officers and Members of the Grand Council of Cryptic Masons of Minnesota:

Since my appointment as the Grand Principal Conductor of the Work of the Grand Council of Cryptic Masons of Minnesota for 2022 – 2023, I have attended nearly all of the Grand Officer's meetings, and other Council and York Rite events. In addition, I served as the Area Representative for Zabud Council and have attended many of their stated meetings.

I was assigned to a number of committees this past year I have chosen to report on the following:

York Rite Grand Representative Program committee consists of MEC L. Greg Schultz and myself. Over the past several years MEC Greg and I have developed a Grand Representatives program that fulfills the needs of our York Rite bodies and should, with some minor adjustments, be suitable for any York Rite body. As with most activities, Covid-19 caused significant delays in our progress. The good news is that the York Rite Grand Representatives Program draft is complete. During the first quarter of 2023 we submitted our proposed program to the General Grand Council for review and approval. As of March 2023, we have not received a verdict, however, their initial impression appears to have been favorable. We look forward to getting the Grand Representatives program fully implemented in the upcoming year.

York Rite Emissary Program is a developing program. The basic foundation and guidelines for the program are set. As of March 2023, we have nine Companions that have volunteered to take on the role of Emissary for their Lodge. Once we have received a few more volunteers we will begin our training program. Currently there are 124 lodges in the state, but not all of them are active. The goal of the York Rite Emissary Program is to place an Emissary in each active lodge. The function of the Emissary is to keep their lodge informed of York Rite activities and events.

York Rite Education Committee has been active on a limited basis for the past several years. We had been making good progress until the onset of Covid-19. We are now in the process of reactivating and reinvigorating our education program across the York Rite. One of our ongoing goals has been to make educational materials easily available to all of our members. A goal for the upcoming year is to make additional educational materials available and downloadable from our websites. This will allow easy access to interesting and informative presentations. To add value for our members, every York Rite body should make education part of every meeting. We are always seeking volunteers to assist the Education Committee in building our library and presenting educational programs. Please consider volunteering.

Other Activities:

2023 Statewide (Masonic) Membership Conference, held at the Minneapolis Scottish Rite on March 25, 2023. SK James Henderson and I represented the York Rite at the conference, and we talked to a number of Masons about joining the York Rite. Compared to other Masonic bodies we had a rather poor showing. After speaking with the conference coordinator Br. David Hartman, I found out that no one from the York Rite had RSVP'd or signed us up for a table. With Br. Hartmann's help we found a table. SK Jim and I were able to scrounge up some items for a display, but it was meager when compared to the other bodies present. We had no backdrops (pull out signage), and few supplies. With the help of C Larry Stelmach, and SK Clint Christianson we were able to make a showing. Overall, the conference was very successful, the speakers were all very good and many very good ideas were put forth. I would estimate that there were nearly one hundred people in attendance.

The biggest takeaway for me was that we must establish a **York Rite Membership Committee** composed of members from each of the four bodies, with a Chairman, Function Coordinator, Equipment Manager, and Spokesmen. Our poor showing at the Membership Conference and other Masonic functions is directly attributable to the fact that no one was in charge, or accountable. We just showed up and that must change! Membership functions, events and other activities must be addressed at every York Rite joint meeting. To emphasize the importance of this committee I would recommend that each of the three Deputies be on this committee with one of them assigned as the Chair and one as the Function Coordinator.

The **Grand Council Strategic Planning Meeting** was held on April 2, at the Minnesota Masonic Home in the York Rite offices. The meeting was a very informative and helpful get-together. During the meeting the grand officers determined a number of traits and factors that contribute to successful organizations. The planning session started us on a path towards developing goals and objectives for the upcoming year and for the future. As well as some of the milestones needed to attain our objectives. It was agreed by all present to hold follow-up planning meetings after our annual Grand Session to continue the process.

I anticipate that next year will continue to be a time of rebuilding and reenergizing our Councils and the York Rite at all levels. I am very much looking forward to getting out and visiting our Councils and participating in all of our York Rite activities.

Respectfully submitted,

RIC Ralph James Luchsinger II, KYGCH, OPC
Grand Principal Conductor of the Work

Report of the Grand Captain of the Guard

To: The Most Illustrious Grand Master, Grand Officers, and Members of the Grand Council of Cryptic Masons of Minnesota:

I have enjoyed the privilege of serving the Grand Council of Cryptic Masons of Minnesota as its Grand Captain of the Guard and visiting Councils in Minnesota and the North Central Department, some for the first time. Busy schedules and conflicting obligations do not provide the opportunity for visiting all our Councils as often as desired and conversing with companions from other states. Such visitations are valuable not only for meeting companions but also for the exchange of ideas that often accompanies such interaction.

This year we have worked hard toward the reactivation of several of our Councils that have fallen by the wayside and are in danger of being lost. I have had the opportunity to work with several of our Companions from the St Peter council. We have met in St Peter on several occasions and while our efforts are producing positive results, our task is far from accomplished.

I look forward to the coming year and the opportunity to visiting councils and the blue lodges in hopes of re-inspiring some of our wayward companions.

Respectfully submitted

IC Jerry Zierdt
Grand Captain of the Guard

Report of the Grand Conductor of the Council

To: The Most Illustrious Grand Master, Grand Officers, and Members of the Grand Council of Cryptic Masons of Minnesota:

It was my pleasure this year to serve the Companions of Minnesota as Grand Conductor of the Council. I was able to visit many of the councils of Minnesota during the year, as well as attend the one day to Council in April. I attended Grand Sessions in Iowa, South and North Dakota this year, as well as the North Central Conference. I was chairman of the CMMRF committee this year and enjoyed spreading their message. The companions of Minnesota are extremely generous. I look forward to serving again as needed.

Fraternally,

Report of the Grand Marshall

It has been a pleasure to serve as your Grand Marshall this term and visit various Council's. Know that ALL of your Grand Officers are here for you and willing to assist your Council when needed. It is our duty to do so and to visit your Council.

It has been great to see that our Councils have been presenting the Cryptic Degrees and presenting education programs on their meeting nights. There have been a few Council's pairing up with their "connected" Chapter and having a dual meeting night. It seems to work out well with attendance, added membership and combined education.

Minneapolis Council sponsored a great Cryptic Council one day on February 25th. Thank you to all of the Cryptic Masons who took part and stepped up that day. We welcomed in 30 + new Companions. Make sure they participate and get involved with your Council. Keep their interest and don't lose contact.

Looking forward to seeing you at the 2023 Grand Session and during my visitations.

Sincerely submitted,

IC Joseph J. Anderson,

Grand Marshall Minnesota Cryptic Council 2022-2023

Report of the Grand Steward

To: The Most Illustrious Grand Master, Officers and Members of the Grand Council of Cryptic Masons of Minnesota:

Companions,

I was installed half way through the year into the Grand Steward of the Grand Council of Minnesota with the departure of Companion Trent Gilbertson.

I attended all Zabud #10 stated meetings in 2022-2023 where I also cook dinner every month for the companions of the council.

I was able to attend a Minneapolis #2 meeting earlier in the year.

I was unable to attend a council meeting in Farmington but is on my list to attend in the near future to complete my grand representation of the councils which fall under my jurisdiction.

Thank you,

IC Tony Heimer

I was appointed to this position about halfway through the term when a vacancy unexpectedly came about. As Grand Sentinel, I have travelled as my health would allow, attended the Grand Officers meetings regularly and participated in the One day to Council Festivals.

Thank you for allowing me to be part of this Grand Council, I wish to thank RPC *R. Sean Gardner*, and MIC *Brian K Dimatteo* for their faith reposed, their guidance, and their counsel.

Re: 2022-2023 Report of the Grand Arch Master

When I was first appointed to this position, I did not know anything about what my duties were. I was told that I was the state's education officer. My duties were to develop recognition programs and put together educational programs for the good of the order. I thought about why I was chosen to do this. I am not the best versed in Cryptic Masonry. I know enough to be dangerous, but not enough to present. So, I came up with an idea to organize, plan and present Companions, who were much better qualified than I, to present.

I set to this task. What should the topics be about: the Ritual, The floor work.... No! We all are familiar with these things. I thought, what would help make our Ritual and Floor work better? I came up with this. Having a knowledgeable Companion talk about the MEANING of each of the degrees and its parts and why it is important. This would give us insight into why we are doing what we are doing, and not just going through the motions, and help make our ritual presentation better.

I set my plan in motion by contacting the elected officers of the General Grand Council. I started with The Grand Recorder, Right Puissant Companion Steven Balke, who agreed to present on the Royal Master Degree. We set a date, planned to meet in person and combine education with fellowship. The Best laid plans always have hiccups. We had to change to Zoom only. It turned out to be a wise decision. The presentation was great, the Q&A was enlightening, and attendance was OK. There was only one issue, we forgot to record it, so others could view it later. Next, I contacted the Deputy General Grand Master, Right Puissant Companion Bill Snyder to present on the Select Master degree. We scheduled a Zoom meeting and even recorded it. Attendance was better and the information was top notch. Q&A was lively and deep.

I am working on another presentation on the Super Excellent Master degree. Detail will be forthcoming.

We are also working on a Council recognition program. That is still being flushed out.

Thank you for allowing me to be part of this Grand Council and the faith reposed in me to help educate our companions. I wish to thank RPC *Steven Balke*, RPC *R. Sean Gardner*, and MIC *Brian K. Dimatteo* for their guidance and counsel.

I respectfully submit this report of the Grand Arch Master.

Jurisprudence Committee Report

**To: The Most Illustrious Grand Master, Officers and Members of the
Grand Council of Cryptic Masons of Minnesota:**

It has been a great pleasure to serve the Grand Council of Cryptic Masons of Minnesota, its Officers, and members this past year.

This past year we have been asked to address several topics referencing our Constitution and Regulations of our Grand Council of Cryptic Masons of Minnesota. We respond as quickly as possible to all requests.

As of the date of this report we have not received Resolutions to be acted upon at our 2023 Grand Session. We do remind you that one of the purposes of our Grand Session is act upon Resolutions presented by our members. Remember, your Jurisprudence only reviews the Resolution to ensure it is submitted in proper format. We do not recommend a vote for or against the Resolutions. That is decided by the members present at the Grand Session.

As of today, April 17, 2023, there have been no Resolutions submitted to your Jurisprudence Committee to be addressed at our 2023 Grand Session.

Respectfully submitted,

Ronald A. Miles, PMIGM

CMMRF report Diseases on Which the Indiana Center for Vascular Biology and Medicine Is Focusing

2023 Update

1. Peripheral Arterial disease.

a. PAD is a greater health care burden than coronary artery disease in the U.S. Approximately 8 million Americans are afflicted with PAD.

b. Critical limb threatening ischemia, (CLTI), is the most severe form of PAD and is characterized by foot pain and gangrene. CLTI is a significant risk for amputation of the leg and has a quality of life equivalent to terminal cancer.

c. Surgical interventions have provided excellent results in treating CLTI however up to 30% of patients with CLTI will not be candidates for angioplasty or bypass and the only treatment option for relief of pain or removal of an infected ulcer is amputation. Over 153,000 amputations are performed each year ranking as the 6th costliest operation at 10.6-billion-dollar expense to our health care system.

d. Diabetic patients are especially at risk for limb amputation due to infection and more extensive hardening of the arteries. The incidence of diabetes and its vascular complications continues to rise each year.

e. The American Heart Association has recently noted that amputations due to PAD and diabetes has increased over the past ten years. The AHA issued a policy statement that there needs to be an international effort to reduce amputations by 20% by the year 2030.

f. With the support of the CMMRF the ICVBM is addressing the critical need for effective therapies to prevent amputations and has been a recognized international leader in this field.

g. With research funds we have created a diabetic mouse model of CLTI and we are testing new cell types and preparations

h. Dr. Stephen Miller, PhD., has discovered that mesenchymal stem cells grown in clusters, called spheroids, are able to regenerate skeletal muscle in the diabetic mice with limb ischemia. More excitingly, we have found that those mice treated with MSC spheroids have complete return of muscle function and limb function. Thus, a discovery that we plan to quickly translate into a clinical trial.

i. We are collaborating with Dr. David Mooney from Harvard University who has developed a gel material that can envelope the stem cell and then be injected into the muscle of a leg with PAD. In addition, with the Mason's research funds, we have purchased the Buchi Encapsulator. This device encapsulates cells which protects them from getting cleared by the recipient's immune system yet still allows the cells to secrete growth factors that stimulate new blood vessels to grow.

this novel cell population into a clinical trial.

o. Update: The ICVBM has been awarded a \$2.4 million grant to assess the safety and feasibility of using MSCs derived from induced pluripotent stem cells in a Phase I clinical trial that will treat 20 veterans with diabetes and CTLI. This will be the first time iPSC-MSCs will be used to treat cardiovascular disease.

p. We are now using induced pluripotent stem cells that have been genetically

From: RIC Sean Gardiner

RE: York Rite Cooperation Report 2022-2023

The Companions of Minnesota demonstrate the spirit of cooperation every day. As particularly demonstrated by our Most Illustrious Grand Master and his personal efforts in assisting our Youth Organizations. We must continue to grow these relationships and how we can support our Youth Organizations.

As our Councils and Chapters work together to improve the experience of our Companions, the Grand Council and Chapter have been holding joint meetings as well as our usual officer meetings. The joint meetings allowed us to coordinate our efforts, address common issues, and develop common approaches to opportunities we both face. We plan to continue the joint meetings into the future.

RE: Grand Chapter / Grand Council Office Rent Sharing

In the past, the following procedure has been used:

Monthly rent is \$211.50 or \$2538.00 per year.

Based upon the last reported memberships to the General Grands, the Grand Council had 611 Companions and the Grand Chapter had 1279 Companions for a total of 1890 Companions.

If we divide \$2538.00 by 1890 we get \$1.3429 per Companion.

Therefore, rent would be allocated as follows:

Grand Council - \$820.49
Grand Chapter - \$1717.51

Please let me know if this meets with your approval.

RE: Deputy Grand Master's Report 2022-2023

Upon reviewing the annual finances of the Grand Council and the proposed improvements to our membership systems, we have arrived at the conclusion that a per capita increase would be necessary to sufficiently fund these efforts.

Our revenues have been impacted by an underperforming investment market and per capita that has fallen behind inflation over the last several years. This is demonstrated in the attached budget in which we re-adjusted the investment revenue to correctly show the lower return. We are showing three budgeted columns which highlight our current revenues, a five-dollar per capita increase, and a ten dollar per capita increase for your review.

13. RATIONALE (Why the author thinks the proposed change is needed):

To allow for the Grand Council of MN to subscribe to MMS for membership thus reducing the work of the constituent Council Recorders and Grand Recorder in maintaining the rolls of the Councils. As expenses have continued to increase and membership has been on a multi-year decline additional funds are necessary for the operations of the Grand Council.

Grand Recorders Report

To: The Most Illustrious Grand Master, the Grand Officers and the members of the Grand Council of Cryptic Masons of Minnesota.

This past year was good to get back into a normal mode , I want to thank the Grand Offices and the Companion Recorders, for all their help and hard work this year.

The Minnesota Recorders are:

St Paul – Peter Laudert, Minneapolis – Joe Anderson, Ark – Steven Partridge,
Tyrian – Ben Mahlkie, Duluth – Alan Mackenzie, Austin – John Fair,
Alpha – David Dumonceaux, Omega – Carl Lidstrom, Zabud – Brian K. Dimatteo,
Northfield – Jerry Zierdt, Central – Matthew Lauters.

The job of Recorder involves more than just taking minutes and reports, it is tracking all the members. The Recorder does a lot of work behind the scenes to make your Council work, anything that you can do to help your Recorder is greatly appreciated by them and myself.

The 2023 – 2024 Budget shows very little change from the previous year and is a balanced budget. Your Grand Council is working to keep expenses down while providing for all the necessary tools that are needed by both the Grand Council and the Constituent Councils of Minnesota. We are asking for an increase in the per capita. The last time it was increased was in 2016.

We are investigating upgrading our database to MMS, we will need to have funds to pay for the cost of input and annual charges. The benefits are that all the changes will be done at the local level, Companions can make changes to their information as needed and there will be no need to have quarterly reports or annual reports done, as they will be available right from the MMS database. At the end of the year a simple download and a per capita bill can be issued to each Council, no need to have the time consuming reports done, and it will make the job easier for all of the recorders. With MMS the information only has to be entered into the system once and all three, Chapter, Council, and Commandery are updated. These are some of the advantages of upgrading the database.

This last year the Grand Council saw an **increase** in membership of **3%**
Tyrian Council showed a 12% increase, St Paul 10%, Minneapolis 6%, and Zabud 4%,
we had several Councils break even with no change. Great Work Companions.

James O. Burlingame, Sr. - The Mason

John W. Burlingame, Jim's dad, became a Master Mason on April 27, 1953, and soon after encouraged his son to sign a petition for Plymouth Lodge #160. So, on May 18th Jim's petition was received by the Lodge. He was then investigated, and on August 3rd he was elected to receive the Degrees of the Lodge. Jim was initiated on September 14, 1953, passed on September 28, 1953 and raised to the sublime degree of a Master Mason on October 12, 1953. Since then, he has led an exemplary, Masonic life as a Speculative Mason. He, like his father before him, encouraged his son to petition the Lodge, and on August 7, 1976, James O. Burlingame, Jr. became a Master Mason in Plymouth Lodge #160 .

Jim, Sr. was appointed to the "line" in the early 70's, and in 1978 he was elected to be Worshipful Master of Plymouth Lodge; just one year after his father had gone to the Celestial Lodge above. Jim continued to be active in the Lodge and Masonry, and in 1987 he was appointed Grand Standard Bearer in the Minnesota Grand Lodge. In 1990 he was named Minnesota Mason of the Year, and again in 1994 he received that same honor. In 1999 Plymouth Lodge gave him the highest, Blue Lodge honor by presenting him with lodge's Hiram Award. In 2004 Jim was

appointed Grand Chaplain, and in 2008 he was appointed Grand Tyler in the Minnesota Grand Lodge, serving in each station for one year.

In June, 1993, Jim became Chaplain in Plymouth Lodge #160, and he served faithfully in that office until he retired after the 2012 year. He officiated at many, many Masonic services.

Jim and his lady Barbara moved to the Northridge Senior Apartments, and the Grand Master, MWB David E. Olson and the Grand Secretary WB Douglas J. Campbell joined Jim and a few other Past Masters at the apartments for lunch. Following lunch, the Grand Master presented Jim with a pin and certificate celebrating his 60 years as a Minnesota Mason. He wore that pin with pride!

You always know when Jim Burlingame Sr. came in to the building. It starts with a soft hum, "Mmm hmmm ... " as his uplifting voice echoes through the halls of Plymouth Lodge. He would always greet everyone with a handshake making sure that all is well. Jim had been a member for many years and just received his 60 year membership. Although Jim was many years my senior, his personality was ageless. His unmistakable acting and powerful voice made his degree work more impactful and memorable for the candidates. It was a joy to watch him perform.

I was excited to see him honored for his service as he was very deserving. I have been a member of the lodge for the last seven years, and through those years he was a true example of an exceptional free mason, mentor, and leader for older and newer members. Jim has fulfilled many roles throughout his years, did exceptional degree work, he served as Worshipful Master and served many years as Chaplin.

Jim was truly a Mason's Mason and had won his way into our hearts. It was a pleasure knowing Him. Thank you, Jim.

James O. Burlingame, Sr. 33^o, Grand Cross Court of Honor
Personal Representative Emeritus to the Sovereign Grand Inspector General
in Minnesota for the Minneapolis Valley

It's very easy to see that a lot has changed at the Minneapolis Scottish Rite since Jim Burlingame Sr. joined the Valley with the fall class in 1972. Perhaps the biggest change is that the Rite discovered one of the most dedicated and devoted Masons who had ever crossed the threshold of the building on Dupont Avenue.

By the time he joined the Scottish Rite, Jim had already served the Grand Council of Cryptic Masons of Minnesota as the Grand Illustrious Master in 1970. And he was only a couple of years away from serving the Grand Chapter of Royal Arch Masons as the Grand High Priest in 1974. Invested by the Supreme Council with the Rank and Decoration of a Knight Commander of the Court of Honor in 1977, the words on Jim's lips must have been the infamous "I wish to proceed". In the coming years, Jim would act, direct and lead at the Scottish Rite and in 1988, he was installed as Commander of Kadosh for the Minneapolis Scottish Rite. Jim served a two year term as the Commander.

And then things got busy. In 1989, Jim served as the Potentate for Zuhrah Shrine, and was Coroneted a 33^o Inspector General Honorary by the Supreme Council. From 1995 through 2006, Jim served the Red Cross of Constantine as Intendant General for the Minnesota Division, the highest officer in the State of Minnesota for the Red Cross.

In all his labors in Masonry, Jim saw a lot to rejoice in, and a lot that still needed work. Through his words, acts and actions, Jim set a tone that encouraged others to work together and enjoy Masonry. In 2003 when he was appointed Personal Representative to the SGIG for the Minneapolis Valley, Jim re-enforced those values, calling Minneapolis "The Happy Valley".

In 2007, the Supreme Council chose to honor James O. Burlingame Sr. by awarding him the highest individual honor it can bestow, that of the Grand Cross Court of Honor. Currently only about 77 Scottish Rite Masons in the Southern Jurisdiction of the Ancient and Accepted Scottish Rite are members of the Court. Among them are United States Senators, celebrities, and our own Jim Sr. A true testament indeed to one of the most dedicated and devoted Masons who had ever crossed the threshold of a Masonic Lodge.

If we were to build a Mount Rushmore of Masonry in Minnesota, one of the faces hewn in stone would be that of James O. Burlingame, Sr. 33^o, Grand Cross Court of Honor. From the Happy Valley, thank you, Jim. Congratulations on starting the next page in the long story of your service to Masonry.
